HP USB External DVDRW Drive

Featuring

USB plug and play

No power adapter needed. The USB cable connects to your PC's USB 2.0 or 3.0 ports allowing for easy data transfer and constant power for the external drive.

OS compatible

Conveniently works with the Windows 7, Windows 8 and Windows 10, Mac 10.4 or later and Chrome operating systems, so navigate and create with familiarity.¹

Media storage:

Create your own DVD movies, music CDs, or store that big presentation. The dual layer technology allows you to store twice as much data up to 8.5 GB of storage.

Performance protection

To offset data transfer interruptions and slowdowns the drive utilizes buffer under-run protection to eliminate writing errors.

HP USB External DVDRW Drive
